CURRICULUM VITAE

A. PERSONAL INFORMATION

Name in Full Megan Curran Rosenbloom, BA, MLIS, AHIP
Personal Email meganrosenbloom@gmail.com

B. EDUCATION

Degrees University of Pittsburgh, Pittsburgh, MLIS, 2008
Drexel University, Philadelphia, BA, Magna Cum Laude
Global Journalism (major), French (minor), 2004
Honors and Awards *Library Journal* (LJ) Mover & Shaker Award 2016
The Zamorano Club, inducted 2014
Certification Academy of Health Information Professionals,
Senior Member, 2014
Distinguished, 2019
Specialized Training California Rare Book School, Rare Book Cataloging, 2011.

C. PROFESSIONAL BACKGROUND

Professional Appointments

Librarian III, Associate Director, Instruction Services, University of Southern California, Norris Medical Library, 2018-present

Leads the Instruction Services division, supervising three librarians. Heads reference and instruction services, both embedded within the health sciences' schools' programs (medicine, pharmacy, occupational therapy, physical therapy, and nursing including distance learning) and general library instruction. Serves as Interprofessional Education coordinator. Serves as liaison for the Physician Assistant program, providing curriculum-integrated instruction in key information resources, database searching, and evidence-based practice. Curates health sciences libraries historical collections, plans library programs, and curates historical library exhibits. Serves in leadership roles in the health sciences, university, and medical library communities.

Librarian III, Associate Director, Collection Resources, University of Southern California, Norris Medical Library, 2014-2018

Leads the Collection Resources division, supervising one librarian and responsible for a staff of five. Manages multi-million dollar health sciences acquisitions budget and selects all materials for purchase. Curates health sciences libraries historical collections, plans library programs, and

Date: September 2019

curates historical library exhibits. Serves in leadership roles in the health sciences, university, and medical library communities.

Librarian II, Head of Metadata & Content Management University of Southern California, Norris Medical Library, 2011-2014

Librarian I, Head of Metadata & Content Management University of Southern California, Norris Medical Library, 2009-2011

Oversees acquisition and management of electronic and print library resources. Supervises 4 full-time staff and 2 student workers. Negotiates license agreements and tracks usage statistics.

Performs original and rare book cataloguing, administers copyright compliance, participates in reference services, and acts as the steward for the rare books and history of medicine collections.

Serves as library liaison for the Medical Humanities for USC's Keck School of Medicine.

Leadership roles include establishment of new programs for withdrawal bookselling and technical services staff development.
